Kolkata- 700 069.

We have reviewed the accompanying statement of unaudited Financial Results of M/s. **THE SCOTTISH ASSAM (INDIA) LIMITED** for the quarter & nine months ended 31st December, 2011 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This financial statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Accounting Standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement, *subject to the following:*

NOTES:

- 1 The stock of tea as on 31st December, 2011 has been valued at lower of the cost of production (based upon actual expenditure for the previous financial year) and the net realisable value. The production of tea not being uniform throughout the year, stock valuation will be unrealistic if it is based on actual expenditure and production upto 31st December, 2011. The aforesaid method of stock valuation is consistent with the accounting policy of the Company for the purpose of determining quarterly results.
- 2 The Company is engaged in the business of cultivation, manufacture and sale of tea which is seasonal in character and due to consignment sale during the quarter, sales has been recorded based on account sales received so far, hence the foregoing figures should not be construed as being representative of likely results for the year ending 31.3.2012.
- 3 Segment reporting as defined in Accounting Standard -17 is not applicable since the operations of the Company relates to only one segment i.e. "Manufacturing & sale of Tea".
- 4 Calculation of Income Tax and Deferred Tax will be done at the end of the year.
- 5 1 investor complaints were received during the quarter. and resolved
- 6 Corresponding figures of the previous period/year has been reinstated or regrouped to make them comparable wherever necessary.
